

Understanding Your Line of Credit Billing Statement

Customer ID: Unique identification number for our records

Loan ID: Unique identification number for our records

Credit Limit: The credit limit is the maximum amount you may borrow. The credit limit is established by us and is based upon your income and other underwriting criteria

Available Credit: As you repay the principle advance amounts, your available credit limit will be restored by a corresponding amount and will be available for future cash advances

Account Balance: The total outstanding balance owed to Net Pay Advance from this open line of credit

Statement Period: The time between two statement close dates

Transactions: Your history of draws for that statement period

Reference #: Unique identification number to track transaction activity for our records

Interest Charged: Interest will begin to be charged on each cash advance on the date it is posted to your account

Previous Balance: The outstanding balance from previous statement period

Payment Summary

Account balance	\$491.28
Minimum payment due	\$54.78
Payment due date	5/22/2024

Account Summary

Previous balance	\$0.00
Payments and other debits	\$0.00
Advances and other credits	\$450.00
Fees	\$0.00
Interest	\$3.48
Account balance	\$491.28

Minimum payment due	\$54.78
Payment due date	5/22/2024

Fees: Any additional fees from late payments

Payments and other debits: Any payments made to the account balance during current statement period

Advances and other credits: The amount of cash advances drawn during the current statement period

Minimum Payment Due: The minimum amount you are required to pay this billing cycle. If you pay only the minimum payment, you will generally pay more interest and it will generally take you longer to pay off your balance than if you make payments in excess of the minimum payment
